This letter is to express our appreciation of your efforts in preparing the gymnasium floor area for the retirement ceremony held on 29 April 1992. Your cooperation in clearing and cleaning your work site prior to the ceremony contributed to the success of this memorable event. Your personnel are to be commended for making your work site a suitable location for this Command Ceremony. They were responsive to our requests to install lighting, move dumpsters, relocate materials and equipment, and make ready door openings.

I urge you to continue working with the same spirit of cooperation exemplified thus far. My staff in the ROICC office report that it has been a pleasure working with your firm.

Sincerely,
